

## Ethical Framework

Define the current issue.	List the facts.	Define your options.	List possible decisions.	Describe the impact of each decision.
	List your core values that are impacted by the issue.	Who are the stakeholders?	List the rules of the organization that affect your decision.	

Match decision choices to statements below:	Does this solution best address the entire issue?		Describe the best decision for the current issue. It may be one you listed or a combination.
Produces the most good and the least harm.	Yes	No	
Respects the rights of all stakeholders.	Yes	No	
Treats everyone equally.	Yes	No	
Best serves the community.	Yes	No	
Leads me to act as the person I want to be.	Yes	No
