

Persuasive Speech Outline Worksheet

1. Capture Audience Attention

In this section of your speech, capture attention for your topic and describe your goal. This is a preview of your persuasive speech.

2. Describe the Need

Explain the problem and describe what will happen if the problem does not get resolved.

3. Define Solutions

Outline how your solution will solve the problem.

4. Mitigate Objections

Make note of any objections and explain how each problem can be solved or eliminated with your solution.

5. Visualize the Change

Describe in detail how your solution will impact people, places, or the world, as well as all the positive attributes of that new experience.

6. Call to Action

Finish with a call to action. Describe what you need each person to do to bring your suggested change to reality.
